GET TO KNOW ME

Hi I 'm Gregory, originally from Switzerland from a Swedish father and a Reunion Island mom. I travelled the world and I decided to share with you one of my favorite hidden gems on earth. Welcoming you on the Mediterranean riviera, amazing place where two amazing worlds collides : France and Italy where both has too much to offer.

Arrived here two years ago from Costa Rica, I'm stunned letting you know about my new playground. looking forward to share my living experience and maybe guide you in fun and/or relaxing spots.

DA TONNINO

Looking for real fine traditional italian cuisine. Just check Da Tonnino restaurant in Ventimiglia. The Cantina has wonderful dishes to present. Please order to Massimo their amazing wine and little fried fishes.

In France, on a Sunday, chicken is a family traditional meal. Hosted by Stephane and Valerie, Cocotte is one of my best choice for such an event.
